Gender:

Ribbon Identifier:

Date of Birth:

General Conditions

You will always care for this puppy, and provide properly for its welfare.

You will always follow our recommendations and guidance pertaining to the care of this puppy.

You have purchased this puppy as a pet. Consequently, you will **never** breed this puppy, unless Malvon Shilohs determines it to be upgradeable, and all of the Breeder's and Registry's upgrade requirements are met.

You will never sell, lease or give this puppy to any pet shop, animal shelter, research laboratory or similar facility.

Socialization & Training

You will provide companionship for this puppy, never leaving it alone for long periods of time without human attention. This puppy will spend time in the home with family members, and it will become a member of your family. You will provide this puppy with generous amounts of exercise, and with safe toys.

You will not allow this puppy outdoors unless it is properly supervised, leashed, or left in the confines of proper pet containment (i.e., fence, electronic fence, dog run, etc.). You will never chain this puppy!

Malvon Shilohs has taken every effort to stimulate this puppy (physically and mentally) during the first eight weeks of its life. When this puppy is presented to you, it will have a sound temperament. It is your obligation to nurture this puppy,

so that it remains that way. You will diligently socialize this puppy (puppy kindergarten is an excellent starting point - as well as frequent walks, trips in the car, family outings, etc.). You will provide this puppy basic obedience training.

Veterinary Care

You will see to it that this puppy always receives prompt, qualified veterinary care. Since this puppy is susceptible to parvo and other communicable diseases, you will limit its exposure to other dogs until all immunizations are complete. You will have this puppy spayed/neutered* when it is between 6 and 12 months of age, and you will forward a copy of the spay/neuter certificate to Malvon Shilohs. The spay/neuter of the dog is mandatory for the fulfillment of this contract, any illness which would prevent the spaying/neutering must be forwarded to Malvon Shilohs.

* Spaying/neutering is not required if Malvon Shilohs determines this puppy is Breeding quality and said puppy passes all health testing required by the registry to upgrade the puppy to breed. Any upgraded puppy is upgraded on a Breeding agreement which requires 1 pick puppies from the female's first and second litter to be given to Malvon Shilohs as part of the breeding agreement. Malvon Shilohs has a right to determine the stud for one of the first two breedings. If this puppy is bred prior to 22 months or prior to health testing all resulting pups must be sold as pets, unregistered.

Nutrition & Supplements

Since weaning, the basis of this puppy's diet has been Orijen puppy food. You must feed your puppy this or an equivalent brand (agreed upon by both parties). The following supplements are strongly advised.

*Flexicose or equivalent supplement of glucosamine/chondroitin/msm (minimum 1000 mg daily) until 18 months of age.

Registration

You will complete all requirements for the Temporary (Puppy) and Permanent (Adult) registration of this puppy, with the Registry(s) selected by Malvon Shilohs. (Note: The adult registration process involves having your puppy's hips x-rayed between 12-20 months of age) If you fail to properly register this puppy, your Guarantee will be rendered null and void.

We register our pups with National Shiloh Breeders Registry. NSBR.

Miscellaneous

You will notify Malvon Shilohs of any changes in mailing address, email address, or telephone number.

Pictures/Progress Reports

You will continually apprise Malvon Shilohs of your puppy's health and well-being.

Also, you will provide pictures of your puppy on a regular basis.

Breeder's Guarantee

Malvon Shilohs guarantees this puppy against crippling hip dysplasia that is apparent by the time the puppy is 24 months of age. Malvon Shilohs also guarantees this puppy against genetic defects apparent by 24 months of age that will adversely affect this puppy's quality of life. If your puppy fails to live up to this Guarantee, Malvon Shilohs will replace this puppy with one of equal or greater value from a subsequent litter (you keep the original puppy). Malvon Shilohs is not responsible for any vet care that is required for any health defects/illnesses that arise while the puppy/dog is in the care of the owner, whether they be genetic or not.

Conditions:

- It is the Buyer’s responsibility to pay the shipping expenses (i.e., cargo, crate, etc.) of any replacement puppy.
- It is the Buyer’s responsibility to keep Malvon Shilohs informed of any potential problems or concerns regarding your puppy’s health and welfare.
- If your puppy is diagnosed with a digestive disorder, you will be required to provide documentation (i.e., receipts) showing that you followed our Nutritional Guidelines, before a replacement puppy will be offered.
- Malvon Shilohs negates all replacement responsibility if your puppy becomes ill or sickly due to nutritional neglect.
- Malvon Shilohs does not warrant the temperament of this puppy. Temperament is determined by genetics and environment. When your puppy was presented to you, it had a sound temperament. Too often, puppies with sound temperaments develop temperament problems as a result of the way they are raised.
- If it is reported that this puppy is being abused or neglected, rights and ownership of this puppy will automatically terminate and revert back to Malvon Shilohs, who may immediately assume possession.

Signatures

The price of this puppy is \$1800.00 CAD, plus satisfaction of the conditions set forth in this Agreement.

Your signature(s) below indicates that you have reviewed and discussed this agreement with the Breeder **PRIOR TO RECEIVING** your puppy, and are in full agreement and approval of the above terms and conditions.

Any condition not adhered to in this contract will render it null and void.
